An increase in fees up to maximum limit of 8% is made every year to accommodate the increment in the salaries of the staff and hike in the expenses of the school, as is sanctioned by the School Management Committee, which is permitted by the State Government with regard to annual increase in fees.

Due to the Covid crisis which has caused financial problems among the parents, and also as is directed by the State Government, for the current session 2022-2023, no increase in fees has been made for the current session and the same fees of previous year 2021-2022 is being taken for the current session 2022-2023.
