

RHEMA INTERNATIONAL SCHOOL PATHANKOT

ANNUAL REPORT 2021 - 22

For New Session Online Classes started on 5th April. A new app (NLP) was introduced for online classes and seminars were arranged for teachers as well as for students to train them. By the use of this app students as well as teachers developed their skills to learn & teach in online mode, as has been the need of the after mark of Covid -19.

Eco club of the school had organized activity of Plantation which was performed in both online as well as offline mode. Students did plantation at their homes and few selected students were permitted to do the plantation in the school premises. Efforts were made to imbibe among the students the importance of environment and to understand the value of it for them as well as the future generation. Students were also shown and explained the working of compost pit. Few selected students were permitted to come in the school premises and to see compost pit and how waste was segregated and put into the compost pit. The working of the compost pit was explained to them.

In the first week of May online meeting was held for Periodic – 1 Exams for teachers and parents. Online Periodic-I exams were conducted from 18th May. It continued till one week. Parents responded positively during these exams.

Online competitions like words of Indian Origin Quiz and mind wars were conducted. Most of the students of all classes participated in these above completions and were provided online certificates for their good performance.

On 3rd June, (online) teachers meeting with Principal, through zoom was held regarding P-1 results and summer vacations. All the teachers attended the meeting and it was a good interaction with positive feedback.

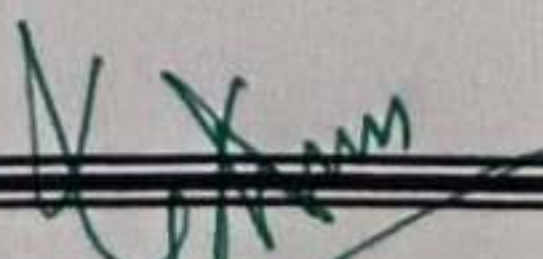

On 4th June PTM was conducted regarding Periodic- I Exams.it was online meeting to declare the performance of the students in the exam. It was through zoom app. Most of the parents attended the PTM.

Summer vacations were from 6th June – 4th July. Holidays homework was assigned to the students. Many activities were given to the students for their all-round development. Online classes were resumed from 5th July.

A Meeting of School Management Committee was held on 28th August 2021, Saturday. The Committee decided that offline classes for Class 6th to 12th will be commenced from September 1st in two shifts, classes for class 9th to 12th from morning to 10:30am, and from 10:30am to 01:30pm for classes 6 to 8. Live classes will be taken in zoom also.

From 4th October classes in offline mode from I Class onwards, and from 8th October from kindergarten onwards, will be called for offline regular classes. Winter vacations will start from 24th December to 9th January.

In the second week of September, half yearly exams were conducted. On 20th Sep a prayer meeting was held in the memory of dear Mrs. Babbi due to her sudden demise because of road accident. In the last week of September, PTM for half yearly exams was conducted for different classes on different days.

The Eco Club had celebrated the Swachh Bharat Abhiyaan as a activity of 02nd October, in which students were explained the need of cleanliness & the alarming situation of environmental degradation. Selected students and staff members were permitted to take part in the drive of cleaning of the school campus.

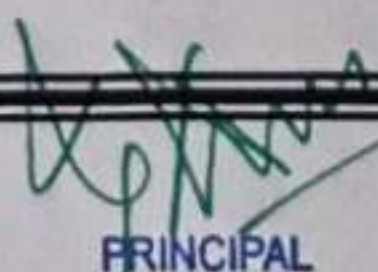

As a part of effort to bring about innovative ideas and practices, a committee has been formed for implementing new and innovative practices. For classes 6 to 10 it has been made mandatory for using first five minutes of the class after assembly in discussing the news of the previous day. The students are supposed to go through the news of the day for describing it next day. In classes 6 to 10 a practice has been started in which students of the classes have divided into different groups and each group is given a topic / chapter and one of the group member has to present and explain the same, while the other groups will be questioning them, to which they have to give satisfactory answer. In classes 6 to 10 it has been initiated where the students are divided into different group and each group is given a topic / concept, which the team members have to present and explain using a demonstration of a working model.
